Registration

This will take place upon your arrival at the registration desk based just inside the main hall, signs will guide you towards the main entrance of the Brighton and Hove High School. Here you will get your wristbands. If you are attending the whole event (full weekend pass) then you will receive 3 wristbands, 1 full social pass wristband and 2 class wristbands. Please wear one class wristband each day and remove them for the evening social dance. This helps ensure people, of each level, won't feel intimidated asking others from different levels to dance at the social dances.

Competitions

The Strictly Lindy Final and 30 Second Showcase (Friday) and Jack&Jill Final (Saturday) competitions will take place between the band sets. Prelims will take place at 20:30 sharp each evening. Please pay for your entry (£5pp) and collect your comp numbers from the registration desk on the night of your comp.
